The Great Forerunner of the Morn

Neale

- The great forerunner of the morn, the herald of the Word, is born; and faithful hearts shall never fail with thanks and praise his light to hail.
- With heav'nly message Gabriel came, that John should be that herald's name, and with prophetic utt'rance told his actions great and manifold.
- 3. Though not yet born, John gave aright his witness to the coming Light; and Christ, the Sun of all the earth, fulfulled that witness at his birth.
- Of woman born shall never be a greater prophet than was he, whose mighty deeds exalt his fame to greater than a prophet's name.
- 5. All praise to God the Father be, all praise, eternal Son, to thee, whom with the Spirit we adore for ever and for evermore.
